Identify software for B2B

How to recognize which firmware belongs to a bill to bill type and for which industry?

1) Parking – Retail – Gaming B2B300

All numbers starting with MBB-01XX MBB-03XX and MBB-3XXX Have versions starting with **BB-115X or higher**

2) Fare collection B2B300XE

All numbers starting with MBB-5XXX have versions starting with **BB-110X or higher** for 3 recycling cassettes and **BB-130X or higher** for 1 recycling cassette (MBB-51XX)

3) The B2B200G (MBB-8XXX) always starts with **BB-15XX**

For details on Chassis firmware, please always check the software description manuals to know which version is needed.

[Click here for a sample](#)

NOTE: If you upgrade firmware with a chassis software lower than advised by the firmware the unit can be stop working and would need to downgrade again!
