2Pay
Card-2-Ticket TITO Point of Sale Kiosk

2Pay is the gaming industry's smallest form factor self-service kiosk for Point Of Sale (POS) Debit card to TITO ticket transactions. Designed to be placed conveniently next to slot machines, it also allows access to funds beyond traditional ATMs. CountR's latest innovation sold by SUZOHAPP, 2Pay leverages cashless services to improve the player experience. 2Pay also reduces cash handling and optimizes cash flow. 2Pay streamlines cash processing from supply at ATM, through collection and accounting of wagers and all the way to banking.

With 2Pay, gaming operators provide their guests with the payment interface they have come to expect as readily accessible from any retail, hospitality and entertainment space. 2Pay modernizes casino payment options and generates a new revenue stream.
