

NV4000

Multi Bill Recycler

Features

- Modular design, recycle up to 420 bills of 5 denominations
- Faster bill processing, optimise transaction times
- Exceptional street grade bill first time acceptance & rejection of stained bills
- On-board diagnostics for in-house troubleshooting. No tools required to access all bill routes
- Optional 300 bill secure replenishment cassette to auto float all recycling modules or use as a high volume single denomination recycler

Benefits

- ▶ Increase staff efficiencies with fewer refills
- ▶ Accelerate customer throughput & enhance experience
- ▶ Future proof your cash handling investment & protect revenue
- ▶ Significantly reduce external service calls & machine downtime
- ▶ Improve efficiency with automated float management
